## FINALS IN RALLY TALENT PARADE WILL BE HELD THURSDAY IN WOMEN'S GYM

Brubeck, Fitzpatrick, Newell, Fischer and Twohig to Compete—Prizes to be Presented to Winners

Thursday, October 21, from 11 to 1, in the women's gymnasium, a Gala Talent Parade will be held to climax the first of the semester's series of rally contests.

Howard Brubeck, Evelyn Fitzpatrick, Helen Newell, Jack Fischer, and Frances Twohig, five winners selected from rally contests held each Friday for the past five weeks, are the entertainers contesting in the finals.

Judges for this Rally Talent Parade have been selected from the College Faculty.

Three prizes will be presented to the winners by different organizations and class groups. These three winners will be offered Sacramento Excursion tickets or merchandise orders.

Hal Delma, State's head yell leader and the general manager of the Talent Parade, expects a large attendance at the Thursday Rally because "it will be a combined talent parade and an excursion trip rally."

Delma announces the next series of Rally Talent Parades as starting Friday noon, October 29.

## Music Fed. Leads For Dance Award

"The Music Federation has presented the strongest competition for the noon-day dance award so far," stated Mike Driscoll, chairman of the noon dances. "They had an eighteen piece orchestra which met with general approval of the swimmers last Wednesday."

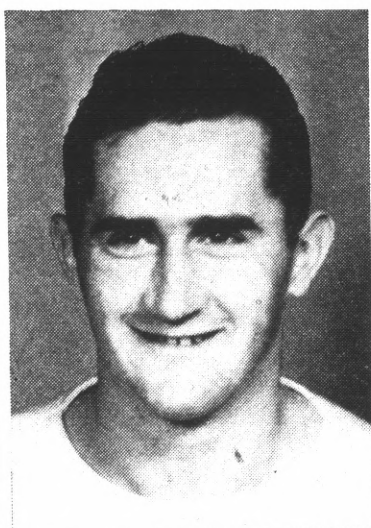

"The Student Concert Hour was also a success," says Norman Zech, Music Federation president. There were about 150 people present last Thursday in the music room. Success of this enterprise inspires a continuation of Student Hours. There will be at least two more this semester under the chairmanship of Mr. Brubeck and Mr. Rugolo."

## REGISTRATION COMMITTEE ARRANGES MINOR GROUPS

On Wednesday, October 13, the Registration Committee met in Miss Vance's office to discuss plans for the coming registration.

It was agreed among the members that the last registration operated smoothly and satisfactorily. The committee invites any suggestions from the general student body for improvements of the system. Also they welcome all students who would like to serve on one of the sub-committees.

Hal Delma, State's head yell leader, urges students to attend Thursday's rally

## Campus Debate For Wednesday

American Students Union and International Relations Club will sponsor a debate by the two squads of Delta Sigma, State forensic society, to be held on Wednesday, October 20 at 12 noon in annex B2.

The debate, open to the student body, is to be "Resolved; that the United States should adopt a strict neutrality policy toward all world belligerents."

Affirmative side of the question is to be taken by Bill Rose, president of Delta Sigma, and Bob Sigerson.

Negative is to be argued by Mary Ann Nelson and Patricio Megino.

The two societies are urging all students to come to the debate, and have chosen the question, which is of student interest.

## STATE INVITES W. A. A. GIRLS

Hallowe'en Party Given On Friday

By CAROL CROUCH

Hallowe'en just isn't Hallowe'en without a masquerade party, so W. A. A. invites all State girls to come to one next Friday, October 29, from seven until ten in the gymnasium. The only price of admission is a costume. If worse comes to worse, get a lot of old clothes and a box of pencils, and call yourself a girl working her way through college. They will be ducking for apples, bobbing for doughnuts on strings, playing various brain-working games, relays, and circle games planned by Evvie Stadelman, who is in charge of the entertainment. She has also prepared entertainment by individuals while the guests are resting and eating.

The gymnasium is going to be decorated by Babette Lau with black cats, witches, pumpkins, bats, owls, and all the other appropriate vestiges, so that the guests will really feel Hallowe'enish.

Eldris Burrows is the general chairman of the evening, and sub-chairmen not already mentioned are Dorothy Barielles for refreshments, and Berta Bolander will send invitations.

Remember it is Free, Fun, and Friday, October 29, at 7:00 p. m.

## Sigma Rho Gamma Tea

Formal initiation of new members will be held by the Sigma Rho Gamma on Saturday, October 23 at 2 p. m. Guests at the affair, other than regular members, will be sponsors from all chapters which are represented by girls in the campus organization.

### Scribes Revived

Miss Denny Prexy

### Sponsors Tea

According to plans from the office of Miss Mary Louise Kleinecke, associate Professor of English, the once popular Scribes Club will be revived at State.

Scribes Club, an organization of students who are actively interested in fine writings, or in the appreciation of fine writings, will stage its first activity, a general Welcome Tea on October 20.

The general student body is invited to the tea, which will feature the reading of two selected stories from a recently published volume of Katherine Mansfield's short stories.

The stories, edited by Katherine Mansfield's husband, J. Middleton Murry, will be presented to the club by Miss Kleinecke and awarded to the member of the club who at the end of the semester has been judged the outstanding by the club.

Scribes Club's new president, Virginia Deeney will preside at the tea, replacing Mrs. Fern Sargent Clyborn, past president. New president is a member of the senior class, a graduate of Alameda High School, and a long active member of the Scribes Club.

In an effort to revive their club, Scribes are extending an invitation to all members of the student body who are interested in the fine writing of stories, poems, or essays to membership.

## 17 Girls Initiated By Delta Sigma Nu

Seventeen pledges were initiated into Delta Sigma Nu, National Home Economics Society, last Wednesday. During the day, the girls wore costumes composed of knee length wash dresses covered with patches, black stockings, white shoes, rags in their hair, and carried six tin cans.

Pledges included: Jane Bowers, Helen Brockhurst, Betty Brown, Lois Arentz, Helen Louise Cox, Mary Louise Godfrey, Gladys Ketterlin, Flora Swaggers, Lois Towle, Aletha Wilcox, Betty Lindstrom, Barbara McCartney, Eleanor Radcliffe, Rose Perlman, Jeanne Spagnoli, Anita Magoria and Alice Mitchell.

Bud Decker urges anyone desiring information on the excursion to leave their questions at the ticket office.

Southern Pacific Railway Company has consented to provide two stripped assembly cars for the State delegation and the band will sponsor music for dancing.

A joint rally and dance honoring San Francisco students will be presented in the Sacramento Junior College gymnasium following the football game.

## Students Invited To Legion Post Affair In Civic Auditorium

San Francisco State College students are invited to be the guests of the American Legion on the night of Wednesday, October 20, in the Civic Auditorium of San Francisco, when the San Francisco County Council of American Legion Posts is sponsoring a gala pageant and ball to be known as "The Ball of All Nations."

It is hoped that each nation will be represented by their National Colors, and national costume in the Pageant. All are invited to attend the Grand Ball to be held immediately following the pageant.

## EDITOR'S NOTE . . .

Some may like this column, some may be adverse. But I present it to you for better or for verse.

## NOT SO GOOD . . .

(1)  
Here once was a school, not so well known,  
Who constructed a field and called it their own.  
They needed some lights so they were put in,  
But here's where the trouble arose from within.

(2)  
Under the illusion the plan was well meant,  
The students agreed to pay fifty per cent.  
But alas and alack, the plan didn't work

Cause the Athletic Department its promise did shirk!

(3)  
Then the Athletic Department started to bawl  
And told the students to pay up it all.

In spite of the fact they had given consent  
To take care of the remaining fifty per cent!

(4)  
Here is the moral to this little tale:  
If you've given your word, don't jump the bail.  
Go ahead, children, continue to moan,  
But how can this ever be, "Home, Sweet, Home?" . . .

IT'S GETTING VERSE! . . .  
(1)  
It may not be my business,  
But I think we all should know;  
We took in crowds on Friday nites  
WHAT HAPPENED TO THE DOUGH? ?

(2)  
The boys went down and fought like . . .  
And tried to win for State.  
Although they didn't do so well,  
WHAT HAPPENED TO THE GATE? ?

WE'RE ALMOST THROUGH  
(1)  
One day last week at practice  
The team did play a game.  
Of course they were on Roberts Field  
And it started in to rain.

(2)  
With their cleats imbedded in the turf  
And charging all their might,  
They made the field look like a guy  
Who has been out all night.

(3)  
Now Dean Cox loves that Roberts Field,  
Raised it from all odds.

And when he saw it all torn up  
He muttered: "BY THE GODS!"

WE'RE THROUGH!! . . .  
If you should like this type of column

Don't hesitate to say.  
My box is Number 106  
So let me know today.

I'll get my friend Anonymous,  
To write when he gets time  
And some day in the future  
We'll print again in rhyme.

## THINNED RANKS OF HOOPSTER VETERANS EAGER FOR PRACTICE

By ERNIE MIGUEL

### INTERNATIONAL FOOTBALL STARS IN WAR TACTICS

I, philosopher king, in my first fireside chatter, offer to all four of my followers the solution to international conflict.

Japan and China are scrapping once more. The irony of it all. Scrap iron. Germany and Italy are looking out for the hog's share of Spain's mercury and olive oil. The irony of it all. Pig iron. Hitler and Mussolini are shaking hands. The irony of it all. Hand rot iron. England ogles Mussolini's Midtermmeranean. U. S. plans to act. (There's a distinct difference between acting and posing). We're huddling with South America. Russia's bottling up a standing army just in case. The irony of it all. And—I'm going to iron the whole mess out for you.

No more armed conflicts (beefs). Now, instead of Japan's dropping eggs on Shanghai, the philosophic (50c) things to do would be to have the All-Japan Eleven meet the All-China Eleven on neutral ground—say, Cairo. No, not Cairo, I said that on Monday last. Say ah! Say Abyssinia. To the victor goes the higher percentage of the gate receipts. Also the praises of the League of Sports Writers (now known as the League of Nations). In these war-substituting football games there will be no brass knuckles, steamrollers, or razors. No more cutthroat politics. Unbribeable me will be the referee to personally see that the whole works is on the up and up—and down.

The women's part will be the waving of pom-poms. Only we'll call them bomb-bombs. The war-like atmosphere, you know. At the night games the ladies will wear gowns of "Achilles in the Spotlight" instead of this sissy "Orchids By a Spring Brooklet" as they say in the news reel.

All players will be known by their numbers, since a good Irish name like Dibblezduutch would add prestige by gobs. And we want this to be even-steven. Members of the international congresses can easily be converted into cheerleaders. The chief executives of the respective countries in the scrimmages will be permitted to enter the huddle and call a few plays here and there. Admission will be one old army rifle. These can be melted into medals for teams. Simple?

And I'll bet Plato spent years on his theories.

With new faces to fill the thinning ranks of returning veterans, the Gater basketball team is going through early season paces at the Salvation Army courts.

Missing will be the faces of tall, lanky Cyril Atkinson and diminutive Kenny Wilkes. Absent also are "Notch" DeBishop, Cecil Huse and Joe DePhillips, who have joined the list of married and missing men.

## HAMMOND, PLUTTE, JOHNSON

Returning for another year of conflict on the hardwood floor is a thin line of veteran block winners. Billy Hammond, consistent point garnerer, is back and facing his second year of varsity play. Hammond, one of Farmer's surprises of last year, is small, fast but heavily counted for the coming season. At the returning guard post are three veterans. Bill Plutte, a six foot, two hundred pound man, back for his third year of competition; Ken Johnson, one of the outstanding members of last year's quintet, and Martin McCullum, a first year man of last year. At the center post, "Slip" Jack Madigan and Al Luntz are the returning block winners. Madigan, a sophomore from Minnesota and Luntz also a sophomore hailing from New York are reserves of last year's squad.

## NICE SCHEDULE

With these veterans and some of the outstanding men from the Junior Varsity and Flying "A's" Coach Dan Farmer will build for the coming season. Daily practice will get under way after finis has been written to football. With tentative games with Loyola University, U. S. F. and Nevada, State faces the toughest schedule of years. Last year a green, first year team grabbed victories from Nevada, Chico, Humboldt and Cal. Aggies in their winning of fifteen out of twenty games to finish with a .750 average. . . .

## Canvas Kissers Move Into Intramural League; Rain Halts Playing

Because of the vacancy left by the ineligibility of the Campus Characters, Mr. Farmer's boxing class, known formerly as the Canvas Kissers, will move into the second division as the fourth member.

The Canvas Kissers will forego their original name and play out their schedule as the Campus Characters and will follow the sked as was intended for the team declared out. Members of Mr. Farmer's boxing class who were members of this squad please note as you will be expected to play.

Because of the rain last Thursday, the contest between the Has-Beens and Remains was called off. Unless either of these two teams are in the running the contest will be cancelled as the schedule is full.

## BLOCK "S" PLAYS

Today's battle brings together the Block "S" eleven and the Weeke's Men. The Blockmen tied the Rover Boys in their initial appearance, while Weeke's monsters were beaten by the Bears. The Block "S" is favored. Tomorrow the Gaters will attempt to make amends for their poor showing last week when they tackle the Purple Speedsters. It will be the first showing of the Speedster outfit.

## DIV. II UNKNOWN

After two weeks it appears that Division I has a corner on the good teams. The Rover Boys, Block "S", and Bears are all contenders in that league. Division II is still an unknown quantity; however, Farmer's Gnomes and the Bone Crushers have a jump on the field. Division III is also still a dark horse league with the Ramblers, led by "Scooter" Marder, seemingly the choice to go into the semi-final round.

## SCHEDULE FOR WEEK

The schedule of games for Thursday and Friday are as follows: Thursday, Has-Beens versus Ramblers; Friday, Rover Boys versus Bears. This latter game may be the first "crucial" of the season.

## GATERS RUN INTO UNLOOKED FOR COMPETITION AS BOYS' CLUB SHOWS; JUNIOR VARSITY BADLY OUTCLASSED

### GATERETTE . ... GOSSIP

By Babette Lau

The Music Federation certainly went to town with its dance last Wednesday. Their orchestra was swell. Don't know what you think of these new fangled dances, but we think the kids really looked queer jumping around as if they had the seven years itch. Maybe we're just old fashioned, but we think a smooth flowing waltz has them all beaten. There was one person, we noticed, at the dance whose primitive instinct wasn't aroused and that was Dan Farmer—no matter how fast or slow the music went, he kept his own steady pace.

\* \* \*

W.A.A. is going to have volley ball in the gym again this Tuesday at noon instead of badminton. We hope the boys won't be so rude this time as they were last Tuesday. Please, fellows, can't we have the Women's Gymnasium just ONE noon hour for girls only? When the boys want the gym for their activities you don't find any girls running and shouting and trying to bust up the program. Cooperate with us and find other entertainment on Tuesdays. W.A.A. doesn't mind running a noon program for you on all the other days, but give us a break and stay out of the gym on Tuesdays.

\* \* \*

With cinches out, and every one knowing just how she stands, we think its time to remind you new students. If any of you are looking forward to being on the W.A.A. board as manager, officer, or what-not, you must have at least a "C" average. You also need a "C" average to vote or receive an award. In case you don't know how to earn an award, it's two sports each term for three terms for a pennant and six terms for a pin. It sounds easy, but it's kinda' tough. A pin hasn't been given out for about four terms. Maybe you'll be next.

\* \* \*

Hope you're keeping Friday, Oct. 29th reserved for the W.A.A. Halloween Party. All the preparations have been rather secret 'cause its going to be a surprise. (We just love surprises). But we overheard it was going to be lots of fun with the old standbys such as ducking for apples, bobbing for dough-nuts, and fortune telling. It would be a good idea to wear a wash dress or some old clothes at evening.

STATE SWEET SHOP

MARKET AT LAGUNA DOWN THE HILL

It was just a breather for the Gater. Boys' Club win? Not a chance. It was the "Week-of-the-Great Sleep" for the Gater squad. So was the predictions of Schwass. But it is a cold breath that blew down the backs of Gater's neck when the Boy's club took the second and third, etc., string into camp by 13 to 6 score last Friday nite at Robert's Field. And he was right about the "Week-of-the-Great-Sleep."

## Harky Scores

Climaxing a fifty-yard drive in the second quarter by Kelnhofer and Gomez, Harkness plunged the ball over the goal line from the two yard line to give the Gater its only score. Gomez missed the conversion.

## Club Scores Twice

Early in the third quarter, The Boys' Club capitalized on two bad punts to let Otto "Horse" Kalaspa gallop fifteen yards to tally and tie the score. Mike Dougherty missed the conversion.

In the middle of the fourth period, Jack Wallen, of the Boys' Club, galloped 70 yards thru the entire Gater squad to tally the second time for the visitors, Mike Dougherty made the conversion. Score, 13-6.

## Cause Lost

Late in the fourth quarter, the Gater squad started slinging passes that clicked and netted them a nice gain of yardage, but an interception stopped the Staters drive cold, and let them out of even a chance to tie the score.

Outstanding for the Gaters were Harky with his punting and passing, Kelnhofer for his running, and Red Thompson for his old fight, while for the visitors "Pop" Skelley, Otto Kalaspa and Jack Wallen were the shining lites.

## J. V.'s Lose 26-0

Following this game the Junior Varsity lost to the far superior Southern Pacific team by a score of 26 to 0.

The Southern Pacific team outclassed the J. V.'s in every department except the fight and spirit department. These lads really gave their all, and on the whole, disregarding the score, was a much more interesting game than the first game.

## 80-Yard Gallop

Hank Capraro of the S. P., scored twice, the first time on the opening kickoff when he ran down the side line for 80 yards to tally; the second tally came after he galloped 20 yards to cross the goal. Dunn missed both conversions. The third tally came as the result of a blocked kick by Dunn, who blocked the intended kick of Tom "Albino" Thorpe, who was standing in his end zone. Jack Woodback made the final score for the S. P. after a 25 yard run. Dunn finally made a conversion.

I would like to comment on the J. V.'s and their coach, Tom Bragg. He has taken nothing and given the kids something. And the kids appreciate what he has done for them. They showed more guts, yes, guts, than I have seen for a long time around this institution.

## Japan's Defense Taken At Open Road Club By Consul K. Nakashima

Having already developed the "Sino-Japanese Conflict" from the Chinese point of view, the Open Road Club presented Kaoru Nakashima of the Japanese Consulate, who spoke in defense of Japan at the club's regular meeting Wednesday at noon in room 209.

In a series of general statements, Mr. Nakashima stated that "Japan does not want territory, she wants peace and order, and has done everything within her power not to aggravate China." But, stated Mr. Nakashima, "China won't listen to reason, so Japan has been forced to take up arms."

Immediate causes of the war, as outlined by Mr. Nakashima, are: China's consistent and traditional anti-Japanese policy; China's use of this policy to further her own internal and political development; and China's over-confidence in her own strength. "Japan's aim in this war," stated Mr. Nakashima, "is to make China see that she is wrong. If Japan can do this, the war will be successful and there will be peace and good feeling between China and Japan."

According to president Bessie Hall, "the turn-out was very large for such uncertain weather, as more than fifty students were present."

## Alpha Phi Gamma Paddles Pledges

Amid frantic attempts to secure the necessary signatures of fraternity members on the back of their cardboard keys, encouraged by the much-wielded paddles, Alpha Phi Gamma pledges were put through Hell Day paces on the campus last Friday.

Headed by Pledge Captain Lew Morris, fraternity members cooperated in an effort to make the day a memorable one for the pledges, Rosemary Alexander, Hal Whitney, and Ernest Migill.

Formal pledging took place at the home of Dr. Treutlein in Berkeley.

## STATE'S ALUMNAE

Since San Francisco State dropped the "old-maidish" sounding word, "TEACHER'S" from its title we have been trying to build up things which are essential to a college. One thing which should be brought out of its lethargy is our so-called Alumnae Association. Yes, according to the Handbook, we have an Alumnae Association under the leadership of Mabel Delavan.

Every college has an Alumnae Association of some description. Every college holds its annual "homecoming" weeks and "Old Grad Days." Why shouldn't we? Realizing that the greater majority of our graduates in the past have been women, and also realizing that we haven't graduated any outstanding scholars, any distinguished scientists, any All-Americans, nevertheless I believe that steps should be taken now towards the organizing of such an Association.

If the worst comes to worst, we could form a men's auxiliary to handle the situation. Somebody with some spunk and interest in their old Alma Mater must be still alive! Somebody must have graduated from this college, they couldn't of all flunked out! Think how nice it would be to have a powerful and influential group of ex-States. Think how nice it would be to have every old grad donate one dollar! If they did that the results would take care of little odds and ends around the campus that can't be done because of the lack of the Almighty Dollar!

Maybe I'm drifting off into an aesthetic world of my own, but State College should have an active Alumnae Association! You, the student body can't do anything about it, neither can I, but let's hope that some former State graduate, be it a he or she, start the ball rolling. Get an interested Alumnus behind your athletic teams and watch the school go! Where do you think that half of these endowments come from that various colleges get? How, in some cases, is the subsidization of athletes handled, Who has their finger in little political doings around town, that could at some time be beneficial to the college? Wouldn't it be easier for State if we had a powerful Alumnae Association in the future? Wouldn't it help our fight for new buildings? Wouldn't it help our struggle for a Student Union? Wouldn't it be a valuable asset from a publicity angle? I think it would! Regardless of what anyone says, it certainly is serious "food for thought!"

## Pre-Nursing Club

Holding its first meeting of the semester, the Pre-Nursing Club met Tuesday, October 12, at noon in the activities room. Miss Jane O'Connell was chosen to head the constitutional committee, and it was also voted that the regular meetings should be held the first and third Thursdays of each month.

Fifty cents is to be the cost of dues.

The next meeting of the club will be held Thursday, October 21, at 11:30 in the activities room. All pre-nursing students are invited to attend.

There also has been much talk to have the time of the noon class meetings changed so that the music department will have something to say concerning the various class activities, but nothing ever has been done. I have been at State for two years, but never once have had a chance to attend class meetings, because of conflicting noon classes, and I am not the only one who is depositing a complaint. Something ought to be done about it.

Smiles . . . Mr. Freeburg says that the "A" tuning fork which he carries is his pitchfork; however, he claims that this doesn't necessarily make him a devil.

Last Thursday we heard an excellent Student Recital. These Student Hours provide the listeners with good music and the performers with practical experience. The results of the program were most gratifying. We all hope to hear another recital soon.

## A. C. P. NEWS

"Prim" was the adjective applied to coeds back in the 1890's—at least by the masculine contingent at the University of Texas.

Coeds now, with their impatience with the 11 p.m. curfew in force on the campus, are a far cry from earlier sisters who were bold even to attend a coeducational school.

Here are a few of the regulations that incredible creature, the "prim" coed:

(1) It was extremely improper to be seen walking, on an afternoon, in the park with a masculine fellow-student.

(2) The height in refined entertainment consisted in getting together a few guitars and mandolins, some members of the girls' glee club, a few—very few—sterling young men, plenty of chaperones including the dean of women, chartering a boat and going for an afternoon cruise up the river. And it meant home by sunset!

(3) Girls who were invited to eat at the "ladies table" in the men's dining hall were accompanied by the dean of women.

(4) Young men and women were kept apart except on a few gala occasions, when the chaperones took their duties seriously.

This year more students will enter colleges and universities than ever before in the history of this nation, according to the U. S. Office of Education. About 1,250,000 students are in college this fall.

The human propensity for taking seats in the back row, prompted Professor Scott at the University of Minnesota to request his students to move forward and use up the front seats. All came forward except one lad who kept his remote seat. "Move down to the front, please," said the prof. "I can't," the boy said, "I tore my pants."

## SENIOR PHOTO APPOINTMENTS CLOSE NOV. 1

Pictures Now Being Taken at Fisher Studios; Sat. Mornings Remain Open

Final deadline for Senior pictures for the 1938 Franciscan will be November 1. This announcement was made today by the Francisco staff. All high and low Seniors who have not had their pictures taken and who wish pictures in the annual are asked to make appointments with the Fisher Studios, 165 Post Street, as no pictures will be taken on the campus. Appointments may be made for Saturday mornings only.

"We are urging all seniors who graduate in January, May, or July to have their pictures in the annual," said Bill Buchan, editor. "We want to warn the Seniors that the November 1 deadline will be final. There will be absolutely no senior pictures taken in the spring semester."

## Senior Yearbook Fees Now Payable in AAs

Senior assessments for the 1938 Franciscan are now payable in the Franciscan office, Annex A, Number 5. The total charge will be \$1.50 with an additional mailing charge of 25 cents if the seniors desire their books mailed.

Due to the fact that the compulsory annual fee will not be collected from the general student body until the spring semester, the High Senior assessments are being instituted by the annual.

## Recognition Contest of Annual Ends Nov. 1

Seeking to answer questions concerning the campus personality section in the 1938 Franciscan, the staff of the annual today issued the following statement through Sibyl Hurning, associate editor of the year book:

"Candidates should be or have been active in promoting activities on the campus. The Franciscan is attempting to honor those students who have helped to build a social program at the college and who never have been given recognition for the part that they play in creating the real college. The names of these people should be into the Franciscan by November 1. This deadline will be necessary in order that the staff can tabulate the names for presentation to the judges."

## Westminster Hayride

Sponsoring a hayride from San Francisco to the Santa Rosa football game on October 22, Westminster Club will put tickets on sale today from 11 to 1, and tomorrow from 11 to 12. Tickets will sell for sixty cents a piece and only thirty people can be accommodated. President Bob Prather urges a quick sign-up.

At Santa Rosa, after the game, members will be entertained at the home of Frances Henley.
